Energy Assistance Information

Low Income Home Energy Assistance Program (LIHEAP) is a federally funded program. The purpose is to assist qualified, low-income households with a one-time per season subsidy to help in meeting the home heating needs regardless of the heat source (wood, natural gas, electric, propane, oil, or pellets).

Note: The Energy program is a supplement, NOT meant to pay all of your winter heating costs, but about half.

YOU MUST CONTINUE TO PAY YOUR ENERGY BILLS. APPLYING DOES NOT GUARANTEE ELIGIBILITY OR ASSISTANCE.

Helping People, Changing Lives
Avista partners with local community action agencies to provide our customers with free energy-efficiency improvements to help reduce energy consumption while keeping your home more comfortable all year long.

If you currently receive assistance to pay your Avista bill, you are likely eligible to participate in this program.

Avista provides funds for a variety of energy-efficient improvements which may include adding insulation, replacing space and/or water heating equipment, and installing LED light bulbs.

What is the Washington EBT
QUEST card?
The Electronic Benefits Transfer (EBT) system is
a safe, convenient, and easy way for you to get
your food benefits each month.
• You must use the card to get your benefits.
• The card works similar to an ATM card, but
the benefits on the card can only be used to
buy food.
• Your benefits will be put in an account set up
for you.
• Your benefits can only be used with your
secret personal identification number (PIN)
date you apply. If you need benefits right away
and are eligible for expedited services, you
will receive your benefits within 7 days of your
application.

After your initial allotment is issued to you,
the day of the month you receive your food
benefits will not change. Your food benefits will
be available to you sometime between the first
and the tenth day of each month. The specific
day your food benefits are available is based on
the last number in Food Assistance Unit (AU)
number and is printed on your approval notice
for food benefits. You may also contact 1-877-
501-2233 to find out when your benefits will be
available each month.

Your benefits are available on weekends and
holidays, and any benefits you have not spent
by the end of the month are carried over to the
next month.

How long will I receive Basic Food?
When you are eligible for the Basic Food
Program you will receive a letter from us
that tells you:
• if you are eligible;
• How many months in your certification
period; and
• The amount of food benefits
you will receive.

Halfway through your certification period
(six months for most
households) you will receive a Mid-Certification
Review to complete. We use the report to
update information about you, the people in
your home, your household income, and certain
expenses. This is to make sure you are receiving
the correct benefit amount. You can also
complete the review over the phone.

About 45 days before your Basic Food is set to
expire you will receive a notice with an Eligibility
Review form to fill out if you still want food
benefits.

Complete and return the Eligibility Review
form to:
DSHS Customer Service Center
PO Box 11699
Tacoma, WA 98411-6699

You will be given a letter to have an interview
over the phone or in your local DSHS
Community Services Office. You must complete
this interview to find out if you are eligible to
receive more food benefits.

We’ve got you covered

What teens and young adults need to know about Washington Apple Health
Can I get free or low-cost health care?

Did you know that many teens and young adults in Washington State can get free or low-cost health care?

It's called Washington Apple Health, and it might be right for you.

Why do I need health coverage?

Health coverage can help with the basic care young people need—doctor visits, care if you get sick or injured, STI screenings, prescription drugs, and hospitalization.

Health coverage also includes contraception, pregnancy care or termination of pregnancy, and mental health and substance use treatment.

What will health coverage cost?

Depending on your income, you may qualify for FREE or low-cost coverage.

Can I get health coverage if I'm 19 or older?

Yes! There are new options for affordable health coverage for adults. This means more adults with lower incomes and young adults who have been in foster care may be eligible for free coverage.

Can I get health coverage without my parents?

Yes! Usually, teens age 18 or younger apply for health coverage with their parents or guardians. But, you may be able to get health coverage on your own if you:

- Live separately from your parents/guardians and are not claimed by them as a tax dependent.
- Are pregnant.
- Need birth control or sexually transmitted infection care.

If you have questions or think you might be in one of these situations, contact the free, confidential hotline at 1-855-WAFINDER (855-923-4633) and say: “I need to talk to a Medicaid eligibility worker.” They will put you through to someone who can help you understand your options.

When and how do I apply?

You can apply for coverage at any time using Washington Healthplanfinder, a free website, or by calling the phone hotline during business hours. You can also get in-person help in your community.

To apply or to find the names of people in your community (“navigators”) who can help you apply:

- Visit www.wahealthplanfinder.org or
- Call 1-855-923-4633

When you apply, you will need:

- Information about your income, mailing address, and other details.
- If you don't have a mailing address, you can use a friend’s or relative’s address, or the address of a youth shelter or school.

Call 1-855-WAFINDER (855-923-4633) for help, if you:

- Don’t have the information the application asks for.
- Are under 18, and you want to apply on your own without your parent/guardian (you cannot apply on the website)

Customer Satisfaction

Northeast Washington ALLIANCE Counseling Services (NEW Alliance), as a provider of behavioral healthcare services, wants you to feel that you have an advocate with whom you can discuss problems and ask questions if you are not satisfied with the services you receive. If after discussing concerns with the Center’s staff, you are still unsatisfied, you can call a State representative at the following numbers.

Mental Healthcare.............360-725-3752
Mental Health Ombuds.....800-346-4529
Chemical Dependency .....877-301-4557

Quality Assurance

We, as well as those who pay for your healthcare services, review selected cases to ensure quality care was provided. You may be contacted to participate in a client satisfaction or outcome survey. These help us determine how you are doing and your level of satisfaction with the services provided. Your contact may be in the form of a phone call or survey form. Please take the time to respond, because without your feedback, we can't be sure we are providing the best service possible.

Payment for Services

Similar to visiting a medical clinic, you will be asked about paying for the services you receive.

Payment for services may be covered in one of the following ways.

- If you are on Medicaid and have a ProviderOne services card, your services may be covered by Medicaid. For some, there will be a “spend down” requirement on your part before services are covered in full.
- If you are on Medicare, we will bill Medicare Part B for your services. Supplemental insurance payments are also accepted.
- If you have private insurance that covers behavioral healthcare services, we will bill your insurance. You may need to get your primary healthcare provider to make a referral. We are an authorized provider for most health insurance companies and Employee Assistance Programs (EAP).
