COMMUNITY RESOURCE GUIDE

Our client, employee and community safety are of the utmost importance to Rural Resources. Therefore, effective immediately and until further notice, our staff and services are only available by appointment, calls or emails.

If you would like to make an appointment or need information, please use the following information: Phone: (509) 447-9997 and follow prompts to the extension/department that you are seeking or contact: Website: www.ruralresources.org Email: info@ruralresources.org

Also, due to staffing limitations we are unable to update the weekly Pend Oreille County Community Resource Guide at this time and therefore we cannot guarantee the availability of the programs and services listed in our Community Resource Guide.

The 2020 Census is here! At this moment, anyone with internet access can submit their 2020 Census! It’s easy and only takes a few minutes, and since we here in Northeastern Washington are in a COVID-19 lockdown anyways, let’s use this time to do something incredibly important for our communities!

If you live in an area with reliable mail service, chances are you have received your Census Questionnaire. It is being mailed out in waves however, so if you haven’t received yours, fear not, its likely on its way. If you live in an area with less consistent postal service or addressing that isn’t as simple as tied to a regular street-type address, you may be delayed in getting your Census Questionnaire if you are in an area designated by the Census Bureau as a location where they will update your address as best they can, and leave you a Census Questionnaire at your residence. However, this Update Leave Operation is being delayed by several weeks.

But that doesn’t have to stop you from participating early if you want to! Simply go to:

my2020census.gov and click on:

Start Questionnaire

Next you will see a screen like this:

Where can I find my 12-digit Census ID?

Please enter the 12-digit Census ID found in the materials we mailed to you or left at your door.

Login

If you do not have a Census ID, click here.

At this point, if you have a 12 Digit Code from a Census Questionnaire, you can enter it here, or if you want to get ahead of things while you’re at home and thinking about it, click on the section that says: “If you do not have a Census ID, click here” and you can proceed without a questionnaire.

You can also obtain help filling out your Census, Sun through Sat from 7am to 2am Eastern Time, by calling 1-844-330-2020 or 844-467-2020 for TDD

With little ones home from school, this is a great opportunity to teach them a valuable civics lesson! Like voting, the Census impacts us in so many positive ways! It is mandated by the Constitution in Article 1.2, even before the Bill of Rights! The Decennial Census has been happening since 1790 every 10 years! With the current situation related to COVID-19, even the Census gets slowed down by it also, but it won’t be stopped by it! In fact, in the future, our ability to quickly respond to epidemics in the future will be directed by data collected from the Census! Share the message with your neighbors and encourage them to self-respond! You can also track how your community is doing by self-response by going to:

The Unique Role of the Census for Rural Communities

By Eric Gilbert, Census Outreach, Rural Resources

The United States Census is a count of all persons living in America and has taken place every ten years since 1790 in the United States with the exception of the years living in the United States and Puerto Rico. It is conducted to determine the population of the United States and is used for many federal and state programs that benefit our communities. In fact, it is crucial for planning and funding of programs that benefit rural areas.

"I live out in the middle of the woods far away from any city! What good does filling out the Census do for me?" I've heard this before and it's a legitimate question. So, I'm here to give a little additional insight about the programs that are specifically informed by Census Data in Rural Communities.

You may not even know that some of the businesses, stores, health clinics and many other things around you got their start because specific data from a past Census indicated that there was a need that was being unmet. The intermingling of private and public funds happens all the time, so a private business may have received some seed money that was backed by tax dollars because again, there was a demonstrated need. Here is a list of programs that are specifically earmarked for the residents and communities of Pend Oreille, Stevens, Ferry, Lincoln, and Adams Counties. You may be surprised to see a program that very may well have played a role in your local businesses, schools, hospitals or other health clinics, internet carriers, and many others!

- Rural Business Development Grant
- Rural Housing Site Loans and Self-Help Housing Land Development Loans
- Rural Rental Housing Loans (Section 515)
- Rural Self-Help Housing Technical Assistance
- Rural Rental Assistance Payments (Section 521)
- Rural Housing Preservation Grants (Section 533)
- Rural Rental Housing Guaranteed Loans (Section 538)
- Rural Community Development Initiative
- Rural Development Multi-Family Housing Revitalization Demonstration Program
- Rural Development Multi-Family Housing Rural Housing Voucher Demonstration Program
• Water and Waste Disposal Systems for Rural Communities
• Rural Cooperative Development Grants
• Rural Business Opportunity Grants
• Rural Electrification Loans and Loan Guarantees
• Rural Telecommunications Infrastructure Loans and Loan Guarantees
• Rural Economic Development Loans and Grants
• Assistance to High Energy Cost Rural Communities
• Rural Energy for America Program
• Rural Microentrepreneur Assistance Program
• Rural Broadband Access Loans and Loan Guarantees
• Rural Capacity Building for Community Development and Affordable Housing Grants
• Formula Grants for Rural Areas
• Rural Education
• Rural Health Research Centers
• Development and Coordination of Rural Health Services
• State Rural Hospital Flexibility Program
• Small Rural Hospital Improvement Grant Program
• Rural Health Care Services Outreach, Rural Health Network Development and Small Health Care Provider Quality Improvement Program
• Grants to States for Operation of State Offices of Rural Health

Not to beat a dead horse, but we can’t emphasize this enough...For every person in Washington State not counted in the Census, there is a loss of around $25,000 to $35,000 over a ten-year period. If a family of four from Stevens County is not counted in the 2020 Census, Stevens County loses over $100,000 in funding from Federal Revenue. This is money collected from your community in personal and business taxes that does not come back to your community. This is why we can’t stress enough the importance of responding to the Census! It is easy and only takes a few minutes. If there was a reason someone would be hesitant to respond or needs a little persuasion, look no further then this list and remember, the items above are in addition to the most used Federal Programs like Medicare, Medicaid, Financial Aid, Veterans Benefits, and so many others.

HERE IS WHAT YOU CAN DO TO HELP!

In order to be successful, we need to encourage everyone to participate in the Decennial Census on April 1st, 2020. If you live in a rural community, be an advocate for your community! Share the information you learn with others! When people get their Census information in the mail, SELF-RESPOND RIGHT AWAY ONLINE OR BY PHONE! It’s fast and easy and it will save you from having to talk to a Census Taker that will visit you if you don’t turn in your Census information. It is required by law to respond! Responding quickly makes it easier on everyone! Join NEWA Census Outreach on Facebook!

If you know someone who is skeptical, inform them that the Census helps the community and by you telling them continually, your world will come to an end out if you don’t understand this information with their report needed at all ages, at all stages, and at all levels to plan for the future!
Do You Need Help Getting A Job?

Rural Resources Employment & Training in Pend Oreille County offers:

- Paid Work Experience
- Paid On The Job Training
- Help paying for training including CNA and CDL training
- Help paying for GED testing
- Assistance such as gas vouchers and work clothes

Participants must meet eligibility requirements.
What do we do?
Simply put, we help people overcome barriers to employment in Ferry, Lincoln, Pend Oreille and Stevens Counties.

Helping people enter and remain in the work force

- **Paid Work Experience:** We prepare program participants to enter the workforce through a paid work experience with a local employer. Participants are paid minimum wage while working and they learn such skills as punctuality, importance of attendance, attitude/motivation, following supervisor direction and task completion. Support services such as the purchase of work clothes, gas vouchers and other necessities may also be available.

- **Classroom Training:** We pay training costs (including tuition, books and other fees) for our program participants to enter training such as Certified Nursing Assistant (C.N.A.), classroom training or other local training options that result in a credential. Support services such as the purchase of work clothes, gas vouchers and other necessities may also be available.

- **Paid On The Job Training:** We partner with local employers to provide our program participants with paid on the job training for that teaches them new and advanced skills at a good wage. Support services such as the purchase of work clothes, gas vouchers and other necessities may also be available.

What else do we do?

**Labor Market Research:** What jobs are in demand in your community? How much do they pay and what training is required for them?

**Job Search:** What job openings are available in your community?

**Career Exploration:** We help program participants develop a career plan for their chosen occupation.
Newport Miner Job Postings

<td>Monday, June 1, 2020 at 6 pm</td>
</tr>
</tbody>
</table>

The on-line application and phone message line will close when all appointment slots are full. Appointments fill up extremely fast. Call in or go online at the above times.

An Energy Specialist will call you for your energy appointment Monday thru Friday between 9:00 am – 3:00 pm.

If the Energy Specialist is not able to reach you by phone, they will mail a letter with an appointment date and time in an effort to serve you.

Energy Assistance Information
Low Income Home Energy Assistance Program (LIHEAP) is a federally funded program. The purpose is to assist qualified, low-income households with a one-time per season subsidy to help in meeting the home heating needs regardless of the heat source (wood, natural gas, electric, propane, oil, or pellets).

Note: The Energy program is a supplement, NOT meant to pay all of your winter heating costs, but about half:

YOU MUST CONTINUE TO PAY YOUR ENERGY BILLS. APPLYING DOES NOT GUARANTEE ELIGIBILITY OR ASSISTANCE.

Rural Resources -- Senior Nutrition Services
Rural Resources Nutrition Services

Meal programs available.

"Diner's Choice" Senior Nutrition Program
This program provides meals for seniors in Ferry, Stevens and Pend Oreille counties. Seniors receive coupons mailed to their home to use at participating Restaurants. This program provides a variety of meal options, locations and meal times.

Meals On Wheels
Hot meals are available to qualifying seniors. Three hot meals per week are provided along with Frozen Meals for those needing additional meal support.

Frozen Meal Program
Frozen meals are available for seniors needing meal support. Frozen meals are boxed with 7 complete meals. Including meal entrée, fruit, vegetable, bread or roll and a dessert item.

Shelf Stable Meals
Shelf Stable meals are issued in the fall for seniors to save for an emergency, ie. the power going out. This box of five complete meals includes an assortment of canned meal entrées, vegetables, fruit, crackers, and a dessert item. Meals can be eaten with minimal preparation and have easy open cans.

Senior Commodities Meal Program
Seniors who are eligible receive a box each month of food that may include, juice, cereal, canned fruits and vegetables, rice, shelf stable milk, peanut butter, cheese and other protein items.

Not all meals are available in all areas. Seniors must meet eligibility requirements and meals have a suggested donation per meal. Some meal programs have a waiting list.

For more information or to request an application, contact the Nutrition Services Department at 1-509-684-8421 or 1-800-873-5889. Serving Stevens, Ferry and Pend Oreille Counties.

Rural Resources Community Action
What services and supports are available?

Tailored Supports for Older Adults with Family Caregivers (TSOA Dyad)

Offers a menu of options tailored to the needs of the dyad. Some of the options to choose from include caregiver consultation and training, home delivered meals, minor home modification and repairs, housework and errands, respite, specialized medical equipment and supplies, adult day health, exercise programs, counseling, and health promotion and wellness services.

Tailored Supports for Older Adults (TSOA Individual)

Offers a menu of options tailored to the needs of the individual. Some of the options to choose from include training and education, limited personal care, home delivered meals, minor home modification and repairs, housework and errands, bath assistance, specialized medical equipment and supplies, adult day health, exercise programs, counseling, and health promotion and wellness services.

Medicaid Alternative Care (MAC)

Like Tailored Supports for Older Adults with Family Caregivers, but for individuals who receive Apple Health medical benefits. Offers a menu of options tailored to the needs of the dyad. Some of the options to choose from include caregiver consultation and training, home delivered meals, minor home modification and repairs, housework and errands, respite, specialized medical equipment and supplies, adult day health, exercise programs, counseling, and health promotion and wellness services.

Medicaid Personal Care (MPC)

Offers personal care assistance with activities of daily living in the home, an adult family home, or assisted living facility. Personal care tasks are based on a functional assessment and may include assistance with tasks such as taking medications, dressing, bathing, eating, housework, and limited shopping.

Community First Choice (CFC)

Supports individuals with activities of daily living at home, in assisted living, and adult family homes. Offers a menu of options including personal care assistance, nurse delegation, skills acquisition training, personal emergency response systems, relief care, caregiver management training, community transition services, and assistive technology.

Community First Choice + COPES (CFC + COPES)

Supports individuals with activities of daily living at home, in assisted living, and adult family homes. Offers a menu of options including client support training, wellness education, skilled nursing, home delivered meals, environmental modifications, specialized medical equipment and supplies, transportation, adult day care, and adult day health.

Call 1-855-567-0252 for more information

Home and Community Services Options
A discussion guide for case managers

Medicaid Alternative Care: Dyad
Supports unpaid family caregivers to continue providing quality care to family members while improving their own well-being. This service complements households who use Apple Health medical benefits.

Tailored Supports for Older Adults: Dyad
Supports unpaid family caregivers to continue providing quality care to family members while improving their own well-being. Households do not typically qualify for Apple Health medical benefits.

Tailored Supports for Older Adults: Individual
Supports individuals who may not have a family member to care for them and do not typically qualify for Apple Health medical benefits.

Medicaid Personal Care*
Supports individuals with activities of daily living at home, in assisted living, and adult family homes. This service complements individuals who use Apple Health medical benefits who do not have high care needs.

Community First Choice*
Supports individuals with activities of daily living at home, in assisted living, and adult family homes. This service complements individuals who use Apple Health medical benefits.

Community First Choice + COPES*
Supports individuals with activities of daily living and offers additional services such as home delivered meals. This service complements individuals who may not typically qualify for Apple Health, but can receive Apple Health benefits when enrolled in COPES. This program may require people to pay toward the cost of their care.

Key

- This program provides support to individuals who need care.
- This program provides support for unpaid family caregivers and the individual who needs care.

- Individuals must meet income requirements to be eligible. Income levels vary by program.
- Federal Benefit Rate (FBR) 300% FBR
- Individuals cannot exceed savings and resource limits set by the program. Savings and resource requirements vary by program.
- Individuals must need some level of care at home to qualify. Level of care needs vary by program.

- This program ensures access to Apple Health Medical Coverage. Not all programs are linked to this benefit.
- This program offers assistance paying Medicare Part B premiums. Not all programs are linked to this benefit.
- This program offers assistance paying prescription drug premiums when enrolled in Medicare Part D. Not all programs are linked to this benefit.

- This program offers options beyond personal care such as home delivered meals, caregiver consultation, wellness activities, training, and equipment to support care needs. Level of support varies by program.
- This program offers personal care "$" assistance or Respite "$" Care.

* Estate recovery may apply.
** The more $ symbols the higher income and resources for eligibility
Dial-A-Ride
