EMPLOYEE RIGHTS
PAID SICK LEAVE AND EXPANDED FAMILY AND MEDICAL LEAVE UNDER THE FAMILIES FIRST CORONAVIRUS RESPONSE ACT

The Families First Coronavirus Response Act (FFCRA or Act) requires certain employers to provide their employees with paid sick leave and expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

- **PAID LEAVE ENTITLEMENTS**
  Generally, employers covered under the Act must provide employees:
  Up to two weeks (80 hours, or a part-time employee’s two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:
  - 100% for qualifying reasons #1-3 below, up to $511 daily and $5,110 total;
  - 2/3 for qualifying reasons #4 and 6 below, up to $200 daily and $2,000 total; and
  - Up to 12 weeks of paid sick leave and expanded family and medical leave paid at 2/3 for qualifying reason #5 below for up to $200 daily and $12,000 total.
  A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

- **ELIGIBLE EMPLOYEES**
  In general, employees of private sector employers with fewer than 500 employees, and certain public sector employers, are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below). Employees who have been employed for at least 30 days prior to their leave request may be eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.

- **QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19**
  An employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to telework, because the employee:

  | 1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19; | 5. is caring for his or her child whose school or place of care is closed (or child care provider is unavailable) due to COVID-19 related reasons; or |
  | 2. has been advised by a health care provider to self-quarantine related to COVID-19; | 6. is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services. |
  | 3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis; | |
  | 4. is caring for an individual subject to an order described in (1) or self-quarantine as described in (2); | |

- **ENFORCEMENT**
  The U.S. Department of Labor’s Wage and Hour Division (WHD) has the authority to investigate and enforce compliance with the FFCRA. Employers may not discharge, discipline, or otherwise discriminate against any employee who lawfully takes paid sick leave or expanded family and medical leave under the FFCRA, files a complaint, or institutes a proceeding under or related to this Act. Employers in violation of the provisions of the FFCRA will be subject to penalties and enforcement by WHD.

Energy Assistance Information
The purpose is to assist qualified, low-income households with a one-time per season subsidy to help in meeting the home heating needs regardless of the heat source (wood, natural gas, electric, propane, oil, or pellets).

Note: The Energy program is a supplement, NOT meant to pay all of your winter heating costs.

YOU MUST CONTINUE TO PAY YOUR ENERGY BILLS. APPLYING DOES NOT GUARANTEE ELIGIBILITY OR ASSISTANCE.

Helping People. Changing Lives

Avista partners with community action agencies to provide bill assistance. **PAYMENT OPTIONS**

**Payment Arrangements** can be made on an individual basis for those in need. Give us a call or login to our website at myavista.com to make payment arrangements online.

**Auto Pay** automatically withdraws your Avista payment from your checking or savings account each month or charges your debit or credit card.

Looking for support? Call Washington Listens at 1-833-681-0211

What is Washington Listens?
In response to the COVID-19 pandemic, Washington has launched a support program called Washington Listens. People who use Washington Listens services receive support to manage elevated stress and cope with the changes due to COVID-19.
Washington Listens is available to anyone in Washington to speak to a support specialist. Callers receive support and connection to community resources in their area. The program is anonymous. The only information Washington Listens tracks are the number of calls and the nature of those calls, to ensure that people's needs are met.

What makes Washington Listens different from other programs?
Washington Listens is a program to support anyone in Washington experiencing stress due to the COVID-19 pandemic or any of the events that have occurred because of it.
The support line that is part of Washington Listens is for people to receive support related to the pandemic.

Washington Listens is:
- A program to help Washington rebuild our state and strengthen resiliency
- More than just the support line with new services being planned and added
- A free anonymous service for anyone in Washington

Washington Listens is not:
- A crisis line to access behavioral health services
- A referral line to other services
- A warm line for people to talk to someone with lived experiences
- A replacement for existing resources like 211

How does Washington Listens work?
Anyone in the state can call into the line to receive anonymous support. No personal information is kept by support specialists. The caller will have the option to select a language preference or accessibility options, or be routed to a live person for assistance. If the person needs further support, the specialist will work to get the person connected to more resources.
Support specialists will conduct community outreach by contacting community leaders and focusing on reaching vulnerable populations through partnerships in the community.

Staffing
All support specialist positions require a high school diploma and do not require clinical education or experience. Staff will receive training that covers support skills to individuals during the COVID-19 pandemic. The following is a list of providers and tribes that have partnered with Washington Listens.

- Crisis Connections
- Community Integrated Health Services (CIHS)
- American Indian Community Center (AICC)
- Swinomish Tribe
- Colville Tribe
- Frontier Behavioral Health (FBH)
- Okanogan Behavioral HealthCare (OBHC)

Support, tracking, and oversight
Teams work remotely due to COVID-19 precautions. Oversight is done remotely through routine daily check-ins. Supervisors ensure services issues and resolutions are tracked. The supervisor also makes sure that staff are following guidelines. Team leaders make sure call logs match service tracking.
During check-ins, the supervisor provides support to any specialist experiencing stress, whether it is related to the job or not. We are asking a lot from our teams who are working with individuals experiencing difficult moments while our specialists are experiencing stress themselves. Washington Listens conducts regular weekly check-ins with team leaders and any specialists to support them.

More Information
Contact
Call 1-833-681-0211. Washington Listens is available Monday – Friday from 9 a.m. to 9 p.m. and weekends from 9 a.m. to 6 p.m. TTY and language access services are available.
