FAQ's

Who is this site for?

This site is designed for anyone who would like to find out what benefits and programs they might qualify for in the state of Washington. The online application is for residents of Washington State to apply for Federal, State, or local benefits.

What qualifies me as a Washington resident?

A resident under **Basic Food Eligibility** is someone who is living in Washington; and is not receiving assistance from another state or tribe.

A resident under **Cash Eligibility** is someone who is living in Washington; and is not receiving comparable assistance from another state or tribe; Intends to remain in the state permanently or indefinitely; or entered the state looking for a job or a job commitment.

A resident under special circumstances for **nursing facilities** is someone who enters Washington solely for medical care in a nursing facility. A person placed in a nursing facility by another state, is considered a resident of the state that placed them.

Residency requirements for Temporary Visa Holders must first meet citizenship and alien status requirements as they are stated in <http://app.leg.wa.gov/wac/default.aspx?cite=388-424>

How long will it take me to check eligibility and apply?

The **See If I Qualify** screening may take as little as 15 minutes. The online application, **Apply Now** can take about an hour to complete.

How much will it cost to check eligibility and apply?

There is no cost to you for completing the **See If I Qualify** screening or submitting an application.

Why would I use this site?

There are many reasons to use this site. First, this site offers you the ability to check for various services and programs that may be available to you. Secondly, it provides a vast array of information on resources available in the community. And, finally you can apply for some programs directly on this site.

I don't see the benefit program I need, where would I look?

The **Find Services** page explains how to use the **See If I Qualify** feature as well as a list of other community resource links.

When will I know which programs, I may be eligible for?

When you have entered all your information for the **See If I Qualify** screening, a results page displays showing benefits and programs you may qualify for.

The **See If I Qualify** screening asks basic questions about your household members and their income, resources and expenses to see what benefits you may qualify for. The online application, **Apply Now** goes into more detail if you choose to apply for some programs.

What do I do if I get an error on a page?

If there is an error on the page, it appears in red letters by the field that has an error. Correct the information in the field with the error. If you still run into issues, select the **Contact Us** link at the bottom of the page. Make sure to include the error message you received and what page you were on when you received the error message. Please note that copy and paste functions do not work in the **Contact Us comment** section.

Will the online application save my information if my computer browser times out?

The online application automatically saves each time you navigate to a new page. However, if you have not created a SecureAccess Washington (SAW) account, you may not be able to access your application information again.

Now that my application has been submitted, what do I need to do next?
