### **Who is this site for?**

This site is designed for anyone who would like to find out what benefits and programs they might qualify for in the state of Washington. The online application is for residents of Washington State to apply for Federal, State, or local benefits.

### **What qualifies me as a Washington resident?**

A resident under **Basic Food Eligibility** is someone who is living in Washington; and is not receiving assistance from another state or tribe.

A resident under **Cash Eligibility** is someone who is living in Washington; and is not receiving comparable assistance from another state or tribe; Intends to remain in the state permanently or indefinitely; or entered the state looking for a job or a job commitment.

A resident under special circumstances for **nursing facilities** is someone who enters Washington solely for medical care in a nursing facility. A person placed in a nursing facility by another state, is considered a resident of the state that placed them.

Residency requirements for Temporary Visa Holders must first meet citizenship and alien status requirements as they are stated in <http://app.leg.wa.gov/wac/default.aspx?cite=388-424>

### **How much will it cost to check eligibility and apply?**

There is no cost to you for completing the **See If I Qualify** screening or submitting an application.

### **Why would I use this site?**

There are many reasons to use this site. First, this site offers you the ability to check for various services and programs that may be available to you. Secondly, it provides a vast array of information on resources available in the community. And finally, you can apply for some programs directly on this site.

### **I don't see the benefit program I need, where would I look?**
